The drawing is a structural frame plan for a building. It shows a grid of columns labeled A through J and beams labeled 1 through 12. The columns are represented by thick black lines, and the beams are represented by thinner lines. The floor slabs are indicated by the areas between the beams. The drawing includes various annotations, dimensions, and a legend on the right side. The legend contains text in Russian, including "Сечение колонн" (Column section), "Сечение балок" (Beam section), "Сечение плит" (Slab section), and "Сечение ступеней" (Stair section). The drawing is a technical drawing, likely a plan view, showing the layout of the building's structural elements.
